HOPE and Omid-e-Mehr:

HOPE is an exhibition at the Focus Art Gallery in Dubai which is organised by Maneli Keykavoussi and Isabelle van den Eynde in collaboration with the Omid-e-Mehr Foundation (Iran) and the Omid Foundation (United Kingdom).

All the works of art exhibited have been donated to Omid. One hundred percent of the sales proceeds will thus go to support Omid's programs and activities.

Despite their past difficulties, and the obstacles still facing them, Omid's young clients have dreams like all of us. They yearn to participate in life, and to make meaningful contributions to the world around them. Through this exhibition you have the opportunity to make a meaningful contribution to the lives of these young women.
