## Galeri Bilgileri

Assar Art Gallery 1999'da Tahran'da Anoushiravan Attar ve Omid Tehrani tarafından kuruldu. Asıl amacı bütün sergilerde gerçek "sanat aşkı"ndan" -bütün büyük sanatçılar arasındaki sabit değerden - faydalanmak. 11 yıllık çalışmanın ardından bugün Assar Art Gallery, 12 tanınmış çağdaş sanatçının katılımıyla görsel sanatlar (resim, fotoğraf ve heykel) üstüne yoğunlaşıyor.

## Gallery Information

Assar Art Gallery was founded in Tehran in 1999 by Anoushiravan Attar and Omid Tehrani. Our true goal has been to harness the genuine 'love for the arts' - the unifying constant amongst all great artists - in all of our exhibitions. Today, after 11 years of operation, Assar Art Gallery specializes in the visual arts (painting, photography and sculpture) with the presence of 12 well known contemporary visual artists in attendance.
